Kingston Learning College (H Block) is part of Kingston College (SHS) and is located at the end of Bega Road, Kingston.

We are approximately ten minutes walking distance from Kingston Station, a few minutes drive to either Logan or Gold Coast toll ways and a ten minutes walking distance to the nearest bus stop.

In addition, a nomination fee per subject for each external exam is payable to QCAA. This fee is payable in June directly to QCAA. The fee was $53.50 in 2014 and is subject to change.

QTAC (Queensland Tertiary Admissions Centre) also charges fees for processing applications for tertiary entry.

QTAC is also responsible for STAT and STAT familiarization workshops. The Centre is happy to provide further information on these workshops.

A CRIMINAL HISTORY CHECK WILL NEED TO BE UNDERTAKEN OF ALL ENROLMENTS OF STUDENTS OVER 18
Cost: $26.40 (as stated under Fees) (subject to change and non-refundable)

(EDUCATION DEPT. POLICY) (non-refundable)
Kingston Learning College, which is part of the Kingston College campus, provides an opportunity to study senior internally or externally assessed subjects towards a Queensland Certificate of Education.

**WHAT IS INTERNAL AND EXTERNAL ASSESSMENT?**

The ‘external’ in external senior studies refers to the final exam at the end of the year of study. It is called ‘external’ to distinguish it from the internal year 11/12 progressive type assessment.

Year 11 and year 12 studies in a senior subject are combined and completed in a single year. The achievement result is based on an end of course examination set and marked by an external body—the Queensland Curriculum and Assessment Authority (QCAA) in November of that year.

‘Internal’ assessment involves a number of progressive tests and assignments during the year. The achievement result is based on this assessment alone. Classes at this Centre in Maths A, English, Biology and Legal Studies are internally assessed.

Students can spread their senior studies over a number of years, full-time or part-time. The number of subjects that you will need to complete varies according to your age and goals. Generally for tertiary entry, applicants under 19 must complete five subjects and those over 19 need to complete more than two subjects and sit for STAT/Special Tertiary Admission Test.

Courses begin in early February and finish at the end of October (external) and mid November (internal). In early November, students sit the state wide external examinations in each subject. Levels of achievement are awarded on a five point scale, Very High Achievement, High Achievement, Sound Achievement, Limited Achievement, Very Limited Achievement.

Practice examinations and tests in external subjects are held during the year to give students the opportunity to assess their progress and to develop useful examination skills.

**QUEENSLAND CERTIFICATE OF EDUCATION**

The Authority subjects listed in this brochure give credits towards this certificate. You will need to complete five Senior subjects successfully or equivalent to achieve this certificate. However, a formal Statement of Results will be issued by QCAA following your exam/s in your chosen subject/s in any one year.

**ENTRANCE TO TERTIARY INSTITUTIONS**

A selection rank for tertiary entry is derived from results obtained in the internal and/or external senior exams. Students should consult with the appropriate tertiary institution for entry requirements and information.

Students do not receive an O.P. as there is no Q.C.S. test. The selection rank is an O.P equivalent. Some applicants over 19 can also sit the Special Tertiary Admissions Test (STAT). A STAT result combined with the senior internal/external subject results can improve a selection rank.

Unexplained absences will result in a course cancellation.

These subjects are fast tracked over one year.

Regular attendance is crucial for success and qualification.

**ENROLMENT AND COURSE DATES 2017**

Enrolments for the academic school year are taken from early November to January (excluding Christmas holidays)

Course starts: 31 January 2017

Courses conclude: 16 November 2017

Phone the Centre for an enrolment interview. Enrolment forms and course payment are done at the interview.

Identity documentation is needed if over 18.

Classes are dependent on sufficient student numbers.
