Kingston Learning College (H Block) is part of Kingston College (SHS) and is located at the end of Bega Road, Kingston.

We are approximately ten minutes walking distance from Kingston Station, a few minutes drive to either Logan or Gold Coast toll ways and a ten minutes walking distance to the nearest bus stop.
MATHEMATICS

The college offers two maths courses for Yr 10 students.

Reach Year 10 Maths covers the core topics of Yr 10 Mathematics and provides the necessary competence level for further studies in Senior Maths and for entry into the Armed Forces. Topics include: basic arithmetic, percentages, algebra, trigonometry, simultaneous linear equations, coordinate geometry, measurement, graphing and statistics.

Essential Year 10 Maths is suitable for students who would benefit from Maths content related to real life application, incorporating Maths skills in percentages, measurement, graphing, basic algebra, statistics and social arithmetic.

ENGLISH

This is a language, media and literature course.

Approaches:

Respond to a variety of short text materials from a variety of literary, non-literary and mass media resources.

Write for a variety of personal and social purposes.

Analyse and evaluate aspects of the mass-media including film, television, magazines and newspapers.

Read one novel and a series of short stories.

Listen to and appreciate a variety of song lyrics and poems.

This Year 10 English course requires students to complete assignments and compulsory oral presentations.

UNEXPLAINED ABSENCES WILL RESULT IN A COURSE CANCELLATION

These are fast track subjects over one semester. Regular attendance is crucial for success and qualification.

Minimum age requirement is 15 years.
